

When a homebuyer is participating in a mortgage assistance program or homebuyer counseling program that is not currently listed on the Bank's website, this form must be completed and submitted with the 2010 WISH Program Application for Funds Reservation (FC 2252). This form is also required as new mortgage assistance programs and new homebuyer counseling programs are added by the member throughout the year, i.e., it must be submitted whenever a homebuyer is participating in a program that is not listed on the Bank's website or on the member's application for funds reservation.
